Establishment - Public Health - Local authorities - Vaccinators - Grievances - Resolution of the Madras Presidency Vaccinators' League - Third Conference - Orders passed.

EDUCATION AND PUBLIC HEALTH DEPARTMENT.

G.O. Ms. No. 2863, Public Health. Dated the 16th August 1949.

Read:-

From the Madras Presidency Vaccinators' League, Memorandum dated 3.1.1949.
From the Madras Presidency Vaccinators' League, Memorandum dated 4.1.1949.
From the Director of Public Health, R.No. 954/49/E1 dated 1.3.1949.

Order:-

The Government pass the following orders on the resolutions adopted at the third Conference of the Madras Presidency Vaccinators held on 2.1.1949 and the Memorandum dated 3.1.1949 submitted by the Madras Presidency Vaccinators' League in respect of the grievances of the vaccinators. Excepting paras 4 and 8, the grievances put forward in the memorandum are identical with the resolutions passed by the League.

2. Resolution II - Recognition to the Madras Presidency Vaccinators' League under instruction 10 of G.O. No. 1671, Local Administration, dated 8.9.1949:- According to the instructions issued in the above Government Order only formation of associations in each district of a particular class of employees or of a common association of all the superior employees serving under each local authority is permissible. The Presidency Vaccinators' League is not therefore entitled to recognition with reference to the above order.

Resolution III - Revision of scales of pay:- The Government have since decided that there is no justification for further revision of pay of the public health staff under local bodies including vaccinators.

Resolution IV - Abolition of the system of direct recruitment to the cadre of Health Inspectors and empowering the Director of Public Health to appoint Health Inspectors from amongst 1st class Vaccinators:- The Government consider that the existing position does not call for any modification.

Resolution V - Designation of Vaccinators as Health Assistants and giving them independent jurisdiction:- The request cannot be complied with.

Resolution VI - Exemption from payment of fees for the Vaccinators undergoing the intensive course of training for sanitary inspectors and treating the period as duty:- The matter is under consideration and separate orders will be passed in due course.

Resolution VII - Provision of Depot Boys in Vaccination Depots in Municipalities and appointment of peons to Vaccinators in Agency areas:- The request cannot be granted.

Resolution No. VIII - Enhancement of conveyance allowa

This request also cannot be granted.

Resolution No. IX - Enhancement of fixed travelling allowance of Vaccinators working in Agency and Special areas:- T Government see no justification for further revision.

Resolution X - Extension of the age limit to 60 for retirement of Vaccinators:- The Government decline to comply with the request.

Resolution No. XI - Provision in the Public Health Regulations, 1940, for promotion of vaccinators to the cadre of Licence Inspectors and Sanitary Inspectors:- As regards promoti as Sanitary Inspectors there is already necessary provision in the Public Health Regulations - vide G.O. Ms. No. 3033, Public Health, dated 24.11.1945. Posts of Licence Inspectors do not come within the purview of the Public Health establishments of Local authorities and they belong to the collection establishmen As such, the question of making provision in the matter in the Public Health Regulations does not arise.

Resolution XII - Grant of a house rent allowance of Rs. 10/- per mensem to each Vaccinator irrespective of the stati

The case of vaccinators cannot be considered separately, the payment of house rent allowance is governed by orders applicable to all classes of employees under Local Authorities.

Resolution XIII - Provision of uniform with half cost:-

Orders are being issued separately to local authorit to supply free uniform to vaccinators or grant an allowance in lieu thereof.

Para 4 of the Memorandum - Appointment of Vaccinators as Health, Sanitary and Licence Inspectors:- The attention of the League is invited to the orders in G.O. No. 3403, Public Health, dated 9.10.1947. In view of the position as clarified therein, the Government consider that no further orders are necessary.

Para 8 of the Memorandum - Complaint that some of the District Boards have not given effect to Governments enhancing the fixd travelling allowance and contingent charges to vaccinators in ordinary localities:- G.O. No. 4077, Public Health, dated 1.12.1948 deals only with the question of fixed travelling allowance and the question of inclusion of contingent charges within the purview of that order does not arise. As regards contingent charges, clear instructions have been issued in G.O. No. 265, Public Health, dated 28.1.1948. If any District Board does not give effect to these orders, it is for the vaccinators of the concerned local area to bring the matter to the notice of the Director of Public Health for necessary action.
